## What our clients say about us...

"Adroit have been doing my accounts for over 5 years and I have always recommended and appreciated their work. Go the extra mile and very approachable. A no brainer if looking for a new accountant "

- Thomas via Trustpilot

"I am please to write this review that Adroit Accountax are a really helpful company. I have been using their services since 2014 smoothly. They are always ready to help and advise and offer a friendly service. My account manager Shahzad Asghar is a wonderful professional accountant. He understands the needs and demands of his clients and very clear to know what to do and how to do. I wish him all the best in her future endeavor. I wouldn't have any hesitation to recommend them"

- Salfraz Ali via Trustpilot

"I'm an independent contractor and was very unhappy with my previous accountant. Mahin was recommended to me by some colleagues and I have been with him ever since with no complaints. Adroit helped me with company formation and provided accountancy services for my limited company as well as my self assessments. The communication he provides is first class and he responds quickly and efficiently to any queries I have. I am very pleased and have recommended Mahin to several people looking for an accountant and can't speak highly enough of his professionalism. Special mention to Rashid who has been dealing with my accounts for the past few years. On the ball and always quick to get back to me for any queries I may have. I really can't fault Adroit and the services they provide"

# Referral Scheme 2020

We believe that the best form of advertising for our services is the level of commitment that we give to our existing clients. So....after popular demand we are launching our referral scheme as we believe it's time to give you something back!

**How it works:** Any referrals you send to us, we will pay you the first months fee. In other words, if you send us a client and we charge them £100+Vat a month, we will pay you £100 for the referral or if we charge the client £350+Vat a month, we will give you £350. Its as easy as that!\*

# REFER TODAY

*\*Payments are payable when we receive the payment from the client, so ideally once we have setup our Direct Debit we will do the same for you. For annual fee clients we will pay you 1/12 of the fee we charge (essentially the same as one months fee)*
